PERIODIC REPORT

I. Title Page – 1 page (every 3 months)
   • Project title and number
   • Periodic report number and period covered
   • Principal Investigator and organization
   • Project start date and end date
   • Subcontractors, participating utilities and other participants
   • Project funding
   • Project objective

II. Status Summary (basic Periodic Report) – 2 to 5 pages (every 3 months)
   • Statement of goals for the reporting period
   • Summary of work tasks completed and accomplishments in reporting period, including significant findings, major observations, statement of how goals were met, and applicability of findings to the water community.
   • Assessment of actual versus planned progress for each work task (recommend using a table to show actual versus percent completed for each task)
   • Tasks proposed to be completed in the upcoming period
   • Problems encountered
   • Rationale for proposed changes (if any) to the scope of work
   • Brief explanation of abstracts, presentations, papers, reports submitted for publication or presentation during reporting period
     o List of submitted/published reports (title, author, journal/conference, date)
     o Copy of submitted/published reports and presentations
   • Response to questions and comments on previous report

III. Technical Summary – 5 to 20 pages (every 6 months, include with Status Summary)
• Methods and materials
• Data and analysis
• Significant findings
• Applicability of findings to water utilities
• Response to questions and comments on previous report

IV. **Web Site Update** - 1 to 2 pages (every 6 months, include as separate section after Technical Summary)

• Project title and number
• Principal Investigator and organization
• Reporting period (i.e., period covered by update)
• Activities and progress since previous Web Site Update; work to be performed next period
• Findings of significance to Foundation subscribers and other stakeholders; how/why are they significant?
• Statement of how overall project results will ultimately benefit Foundation subscribers and the water community
• Brief statement on communications and outreach (presentations, papers, etc.)
